### Wedding Bookings

- The bridal couple must be sailing on the cruise in order to hold a wedding onboard the ship
- Weddings are performed in **Ft. Lauderdale, Tampa, San Diego, Vancouver and Seattle** on the day of sailing, prior to the ship departing. Ceremony times are usually between 12:30pm and 1:20pm. **Legal ceremonies are NOT performed at sea.**
- All weddings and ceremony extras must be booked and paid for as early as possible to guarantee them. No additions or changes are possible less than thirty (30) days prior to sailing date.
- The bridal couple is responsible for obtaining a valid marriage license, from the place in which they are being married. Royal Ocean Events wedding consultants will assist the couple with the process by providing the necessary information for each specific port.
- We strongly recommend that the bridal party arrive at least one day prior to sailing to avoid late flights, lost luggage, traffic etc. on their wedding day. It is the bridal couple's responsibility to arrive at the wedding on time.
- Several of the services we contract on your behalf, such as transportation, musicians, videographers and photographers are contracted on a time basis. If these times are exceeded, Royal Ocean Events Inc. reserves the right to charge you for any excess billing. If you paid by credit card, we will add this excess fee to the card and send you acknowledgement.
- Wedding packages can not be broken up
- **Prices subject to applicable tax**
- **\$400.00 of the package price is non-refundable**
- **15% service charge** will added to your final total, by booking a wedding you agree to this fee
- If you have more than **8 non-sailing guests** attending, some form of reception must be booked. Please ask your consultant for our reception brochure, you will also find here the Reception Coordinating fee's that will also be added depending on the total number attending the wedding/reception

Our Royal Ocean Events Wedding Consultants will work with you to create the perfect wedding to fit your needs. Once your Holland America cruise is booked, one of our consultants will reserve your special wedding day. **Full payment is due for the wedding package at the time of booking; \$400.00 of this is non-refundable.** Wedding package may be paid for by Visa or MasterCard. We will also accept a travel agency check or International money order. If paying by agency check or International money order, this must be sent to us by over-night courier in order for us to receive and confirm the package. **No checks are accepted for package, reception or any extras if the wedding date is less than 45 days away.** We can not confirm your wedding package and date until we have received the coordinator agreement and the cost of the wedding package.

Wedding extras must be booked as soon as possible due to limited availability of some services. All options must be paid for by thirty (30) days prior to sailing date in order for us to confirm them with Holland America.

---

Please be advised that in the event of strikes, lockouts, riots and weather conditions, mechanical difficulties or for any reason whatsoever, Holland America may at any time without prior notice cancel, advance, postpone or deviate from any scheduled sailing or port of call. Holland America and Royal Ocean Events shall not be liable for any loss whatsoever incurred by reason of such cancellation, advancement, postponement or deviation. This includes the ship not being able to call in at any of the ports, **especially Half Moon Cay** due to weather.

Please refer to Holland America's brochure and cruise ticket contract for additional terms and conditions regarding your vacation with Holland America.

You will receive a wedding itinerary shortly before your cruise informing you of the time and location of the wedding ceremony.

Due to availability, Royal Ocean Events reserves the right to substitute items of equal or greater value.

**All prices are in US dollars**

### **Cancellation Policy**

For a full refund of your wedding package and wedding enhancements, notice must be received in writing at Royal Ocean Events office no later than sixty (60) days prior to sailing date. A full refund, less **\$400.00 US administration fee** will be issued. No refunds will be made for cancellations made less than sixty (60) days prior to sailing date.

### **Wedding Location**

Ceremony times and locations are assigned according to the requirements of each wedding. Assignments are made solely at Royal Ocean Events discretion. The type of reception package purchase determines the length of time allowed for reception.

### **Wedding Guests**

Royal Ocean Events will allow up to eight (8) non-sailing guests onboard the ship to attend your wedding; if you have more than eight non-sailing guests some form of reception must be booked. By reception, this could mean anywhere from a couple of trays of finger foods, a cocktail hour with hot & cold hors d'oeuvres, standard or deluxe buffet. Ask your consultant for our reception options and prices. If you have more than 10 sailing guests we strongly suggest increasing your cake size and ordering additional champagne so that a toast can be made – each bottle of champagne gives you approx. 5 glasses. **Please note:** If you do not book a reception, the bar in the room will remain closed and no refreshments will be available.

Please provide your wedding consultant with a complete guest list no later than thirty (30) days prior to sailing, **no changes or additions are allowed after this date**. For non-sailing guests we need; full legal names, citizenship, date of birth, and ID numbers (driver's license with state or passport with country of issue), birth certificates are sufficient for children. For sailing guests we will need full names and cabin numbers.

All non-sailing guests must check in with the Wedding Coordinators at the port when they arrive (there will be a sign) and exchange their valid picture identification for a visitors pass to board the ship, the ID will be returned to them when you hand in your visitors pass when disembarking the ship. For sailing weddings guests, they will be authorized to board the ship as soon as it has been cleared from customs. All non-sailing guests must disembark the ship no later than 3:45pm.

## Royal Ocean Events Inc.

---

Please let your non-sailing guests know that access to the Lido Restaurant for food or beverages is not permitted, this is for sailing passengers only. If non-sailing guests are found using the Lido restaurant they will be escorted off the ship and the bridal couple could incur the cost of approx. \$25.00 for each person caught.

### Priority Check-in

Priority check-in is provided only to the guests having a ceremony on embarkation day. On the day the ship sails, the bride and groom will be met by their Wedding Coordinator when they arrive at the pier.

**All sailing guests must have their paperwork in their ticket book completed before arriving at the port.**

Your Wedding Coordinator will escort the bridal couple to their stateroom. Bridal couples are permitted to board as soon as Customs has cleared the ship which is usually between 11:00am – 11:30am, so the couple should arrive at the terminal at 10:30am to meet the Wedding Coordinator.

All sailing guests will receive priority check-in and be escorted onboard shortly after the bridal couple. Whereas we are able to provide priority check-in for sailing guests, we are unable to provide an escort from the pier to their stateroom.

**Note: It is extremely important that the wedding party and any sailing guests hand-carry onboard anything they will need for the wedding such as tuxedo's dresses, jewellery, shoes etc. Luggage checked in with the baggage handlers will not arrive at your stateroom until after the ceremony**

### The Ceremony

We have designed special vows to commemorate your unique wedding experience. If you choose to use your own vows, please send a copy to us at least thirty (30) days prior to sailing so that we can let the Marriage Officiant have a copy in advance. Ceremonies last approximately 20 - 30 minutes. Your wedding ceremony will be performed by the State or Provincially (Canada) approved Officiant. The bridal couple may also provide their own authorized Officiant.
