

MS Koningsdam

Deck 1 is the Main Deck and is comprised of Staterooms 1001 through 1177. Wheelchair-accessible routes are available in two hallways. Three hallways connect one side of the deck with the other. An accessible bathroom is available near the center elevator, on the port side.

Deck 2 is the Plaza Deck. A wheelchair-accessible route is available on the starboard side of the deck. At the bow, both sides of the deck are wheelchair accessible. The center-port side is also available. Four accessible bathrooms are available: Two near the bow elevators, one near the center of the deck on the starboard side, and one near the stern.

Deck 3 is the Promenade Deck. A wheelchair-accessible route winds through the center of the deck. On the perimeter of the deck, assistance may be required with doors. Three accessible bathrooms are available: one at the bow, one at the center, and one at the stern.

Deck 4 is the Beethoven Deck and is comprised of Staterooms 4001 through 4221. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 5 is the Gershwin Deck and is comprised of Staterooms 5001 through 5225. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 6 is the Mozart Deck and is comprised of Staterooms 6001 through 6235. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 7 is the Schubert Deck and is comprised of Staterooms 7001 through 7195. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 8 is the Navigation Deck and is comprised of Staterooms 8001 through 8201. It has two long hallways and both are wheelchair accessible. The three elevator rooms that connect the two hallways are also wheelchair accessible.

Deck 9 is the Lido Deck. A wheelchair-accessible route is available along the perimeter (with the exception of the stern), and three hallways connect one side of the deck with the other. Five accessible restrooms are available: one by the front elevators, two by the center elevators, and two by the rear elevators.

Deck 10 is the Panorama Deck and is comprised of Staterooms 10001 through 10055. On the bow side of the deck, two hallways are wheelchair accessible. On the remainder of the deck, the perimeter is wheelchair accessible, with the exception of the rear port side. Five accessible restrooms are available: one near the bow, three near the center elevators, and one near the stern.

Deck 11 is the Sun Deck and is comprised of Staterooms 11001 through 11058. The perimeter of the deck is wheelchair accessible, with the exception of the bow, where two hallways are accessible. An accessible bathroom is available near the stern.

Deck 12 is the Observation Deck. Only the rear observation deck is wheelchair accessible. An accessible restroom is available on the bow side.
