Dress in layers, as tours can run in a variety of weather conditions. No guarantee is made that you will see any specific scenery, view, or wildlife depicted in our brochure(s) or on our website.

GUIDES, SERVICES & TRANSPORTATION

Transportation standards vary from country to country; it is not always possible to obtain air-conditioned buses or vehicles in many ports. Please keep in mind that you are visiting countries different from your own; our local guides can have thick accents, guiding methods will vary, and you should expect crowds at popular tourist destinations. Guests who leave during a tour for which transportation is included must thereafter provide for their own transportation and services at their own expense.

ACCESSIBILITY

Certain excursions may have physical requirements or skill levels, and guests are encouraged to assess their own abilities and inquire about excursion details beforehand. Activity levels are for the tour only and do not include the walk from the gangway to the buses, which may include long distances, steep ramps, steps, or cobblestones.

Guests with disabilities should inquire about accommodation options in advance by calling our Shore Excursions call center at 1-888-425-9376 or email at Hal_Shorex_access@HollandAmerica.com. Depending on the port, the tour operator(s) may impose weight restrictions for electric scooters and/or additional charges may apply. Please contact our Shore Excursions call center if you need to request a bus with a lift. Some venues are accessible; others may not be accessible or may involve an alternative access route. Lift-equipped transportation must be requested if the tour is not designated as fully accessible (availability is not guaranteed).

CANCELLATION

Shore excursions are subject to cancellations or changes, and tour operators reserve the right to deny participation based on established criteria. For cancellations made online or by Holland America Line prior to departure, a credit is issued to the original credit card. Otherwise, refunds are issued as onboard credits to the guests shipboard account. Should you end your voyage with a refundable credit on your shipboard account, you will receive an email from Holland America that contains the procedures to receive this refund. Cancellation policies vary depending on the type of excursion and timing. Most tours can be cancelled for any reason up to 48 hours before the port of call, but cancellations made on board after the deadline incur a 100% cancellation fee. The cancellation policy for private vehicles, Overland Adventures, and Overnight Tours includes varying refund percentages depending on the timing of cancellation; please see the tour description for details.
