TEST KITCHEN
A DELICIOUS NEW
ONBOARD EXPERIENCE

WORKSHOPS

Work side-by-side with an America's Test Kitchen Host to learn culinary techniques—from making pie dough to pasta—in these 90-minute workshops.* Designed exclusively for Holland America Line, this new culinary programming is currently available on select ships.

CAKE DECORATING

A few key tools and simple techniques can turn any baker into a cake boss. Learn from a pro and enjoy a lovely slice of cake.

HOMEMADE PASTA

Learn to make pasta in a food processor, roll it with a hand-cranked machine and turn sheets of it into tender ravioli.

PERFECT PIES

Discover the best method, ingredients and techniques for making a tender, flaky, beautiful crust—with or without a pie plate.

ALL ABOUT EGGS

Explore egg basics: how to crack them, separate yolks from whites, fry them, and make aioli, deviled eggs and meringues.

**A nominal fee is charged for the workshops.*
