#### **CREW APPRECIATION & SERVICE CHARGES**

For your convenience, Crew Appreciation will automatically be added to your onboard account to recognize the efforts of a wide variety of crew members in various departments, including those in the Dining, Entertainment, Guest Services, and Galley areas. The amount of the Crew Appreciation is based on your stateroom category and is subject to adjustment at your discretion, except as otherwise provided in the Crew Appreciation and Service Charge Policy. A Service Charge will automatically be added to optional purchases of beverage packages, drinks, dining room and specialty dining, onboard parties, and other services or amenities provided to guests that are not included in the cruise fare. The Crew Appreciation and Service Charge payments on all vessels in our fleet are pooled and distributed in the form of compensation, including bonuses. For further details, please review our Crew Appreciation and Service Charge Policy.

#### TAXES, FEES & PORT EXPENSES

"Taxes, Fees & Port Expenses," or "TFPE" as used by HAL, may include any and all fees, charges, tolls,

and taxes imposed on HAL by governmental or quasi-governmental authorities, as well as third-party fees and charges arising from a vessel's presence in a harbor or port. TFPE may be assessed per guest, per berth, per ton, or per vessel. TFPE are subject to change, and HAL reserves the right to collect any increases in effect at the time of sailing even if the fare has already been paid in full.

#### **GUESTS WITH DISABILITIES**

Holland America Line seeks to accommodate the needs of guests with disabilities, to the extent feasible. Some accommodations require advanced notification. For more information, visit the Accessible Cruising section of our website.

Each of our ships is equipped with limited medical facilities that are staffed by a physician and registered nurses. Unless otherwise indicated in an active HAL policy (for example, the COVID-19 Protection Program), guest will be charged a fee for all medical services and medications obtained on board. If the onboard physician is unable to care for your needs on board, you will be transferred to medical facilities on shore. If your condition will require you to have a special medical apparatus or assistance on board, we must be made aware of that at the time of booking in order to determine whether we can accommodate your needs.

#### **PASSPORTS / VISAS / IMMUNIZATIONS**

You are solely responsible for securing and having available all proper documentation for the countries visited on your cruise or land tour and for bringing all necessary travel documents such as passports, visas, proof of citizenship, re-entry permits, minors' permissions, and medical certificates showing all necessary vaccinations. Guests should check with their TA or the appropriate governmental authority to determine the necessary documents. Guest will be refused boarding or disembarked without recourse or liability for refund, payment, compensation, or credit of any kind if they do not have proper documentation, and they will be subject to any fine or other costs incurred by HAL that result from improper documentation or non-compliance with applicable regulations.
